

# To Our Incredible Year Two Class

We want to begin by once again saying- **thank you!** You have now spent the past 11 weeks at home with your loved ones. Our amazing school has become much quieter than the one we were used to. Whilst this year has been a strange time, you have never failed to continue to **amaze** us.

You have taken this time of change in your stride and we are so **proud** of each and every one of you. We know that you are all missing one another at the moment but we would like you to know that all your teachers think about you every single day and we care about each and every one of you. Whilst it has been a different time for all of us, we know that you have all enjoyed making **wonderful** memories with your families at home. We know that you will look back and treasure these special moments in the future. It has been wonderful to see all the work you've been doing at home- your art work, dance routines, videos, stories, telephone chats, cards and emails have brightened up many of our days. Although we may not be able to see one another in school at the moment, we have been **amazed** by the **support**, **strength** and **positivity** you've all shown over the past 11 weeks. Like we've said before, we are living through history and sometimes the best things in life come from having the time and space to think and be creative. We know that you are remembering this strange but special time in lots of different ways.

Over the past 11 weeks, you've all worked so hard completing the year two home learning but you've also enjoyed time to be present in your loved one's company. You have shown huge strength and resilience whilst doing this with a smile on your face. We ask that you continue to work hard at home by completing the home learning packs and don't forget your teachers are always here to help you if you need us. You can contact us by emailing [enquiries@st-michaels.school](mailto:enquiries@st-michaels.school). Remember to continue to **stay safe**, **kind** and **positive**.

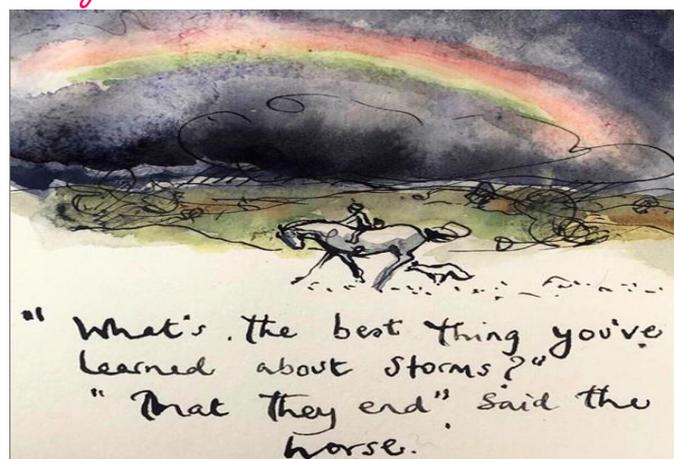

Thank you for being **YOU!** We look forward to seeing all your lovely faces again soon.

With Love

*Miss Consterdine, Mrs Monkley and Mrs Khan*

YESTERDAY is history.  
TOMORROW is a mystery.  
TODAY is a gift.  
That's why it's  
called the  
PRESENT.

LEARN from the past.  
PLAN for the future.  
LIVE in today.

"What's the best thing you've learned about storms?"  
"That they end," said the horse.
